

Perpignan, 22th of June 2023

Ingredients data sheet following (EC) 648/2004

Product: SMARTEYES cleaning spray.

Smarteyes cleaning sprays (SPP120SME20 and SPP35SME30) are distributed by SI International.

In the following table, all ingredients are listed in order of decreasing abundance by weight.

Remark:

The ingredient names shall be given in INCI nomenclature, or where this is not available, the European Pharmacopoeia name, shall be given. If neither name is available, the common chemical name or IUPAC name shall be used instead

INCI Name	English	Danish	Swedish
Aqua	water	Vand (*)	Vatten (*)
No INCI name for surfactant (**)	non-ionic surfactants	nonioniske overfladeaktive stoffer	nonjoniska tensider
Sodium benzoate	Sodium benzoate	natriumbenzoat	natriumbenzoat
Lactic acid	Lactic acid	Mælkesyre (*)	Mjölksyra (*)

(*) Deep translation.

(**) We don't know the whole formulation of surfactant. We just know it contains Dipropylene glycol monomethylether as solvent.
